these two districts be combined into one and we have the privilege of joining Lincoln in their district. I so move.

PRESIDENT: Any further discussion of the Wiltse amendment? Senator Warner. Wiltse amendment which combines the two districts.

SENATOR WARNER: Mr. President, I have, I have no objection to the Wiltse amendment.

PRESIDENT: Any further discussion of the Wiltse amendment? Question is, shall the Wiltse amendment be adopted? All those in favor please say aye, those opposed say no. So ordered, the amendment is adopted. Are there other amendments to 533?

CLERK: No further amendments, Mr. President. Wait a minute, Senator Kennedy wants.

PRESIDENT: Well, stand by, we've got a whole lot of hands up here. Excuse me, Senator Clark, stand by. Another amendment coming up here. Senator Kennedy, we're ready for your amendment here. Just a minute. Now, are we out of amendments to 533?

CLERK: I have another one, Mr. President.

PRESIDENT: All right, they're coming in by the minute.

CLERK: Reads amendment.

PRESIDENT: Chair recognizes Senator Clark.

SENATOR CLARK: Mr. President, members of the Legislature, I move for the adoption of the amendment. I really don't think that anyone should start building until the new board is formed. I don't think that they should try to force construction on a brand new board and most of these boards are going to be brand new and I would move for the adoption of the amendment.

PRESIDENT: Any further discussion of the Clark amendment? Senator Warner, your light is on, do you want to talk on the Clark amendment? Senator Stull, do you wish to be heard on the Clark amendment? Any discussion of the Clark amendment? Question is, shall the amendment be adopted? All those in favor say aye, those opposed say no. The amendment is adopted. Are there other amendments to the bill? Senator Warner, back to you.

SENATOR WARNER: Mr. President, since we've adopted Senator Wiltse's amendment, I would like to procedurally move to reconsider my amendment on the Syas amendment which set up the separate Lincoln board and strike the adoption of that.

PRESIDENT: Your motion is to strike, say it again?

SENATOR WARNER: To strike the Warner amendment to the Syas amendment. That was the one that allowed the Lincoln school board to operate by itself. It now is a part of southeast so that amendment must be stricken.

PRESIDENT: That's strike the Warner amendment to the Syas amendment.

SENATOR WARNER: Yes, you got the right one, Vince?

PRESIDENT: That's correct, leave yours intact, Senator Syas. Is there further discussion of that motion? All those in favor of striking the Warner amendment to the Syas amendment please say aye, those opposed say no. So ordered, it is done. Now any other amendments to the bill? Senator Warner, back to you then.
